Projects

OK Express

Light Alliance Projects is proud to supply lighting solutions to OK Foods Nationally throughout South Africa. Our nationwide support ensures consistent product quality, reliable supply, and dependable service across multiple locations.

By working closely with the client and project teams, we help ensure that each store receives the right lighting products to meet its specific requirements, wherever the project may be located.

Projects

COTTON:ON

In retail, lighting plays an important role in shaping the customer experience and bringing a space to life. Light Alliance Projects is proud to work with Cotton On South Africa, providing lighting solutions that complement their modern retail environments.

Our involvement reflects our ability to meet the demands of a fast-paced retail sector while delivering solutions that balance performance, functionality, and visual appeal.

Projects

new balance

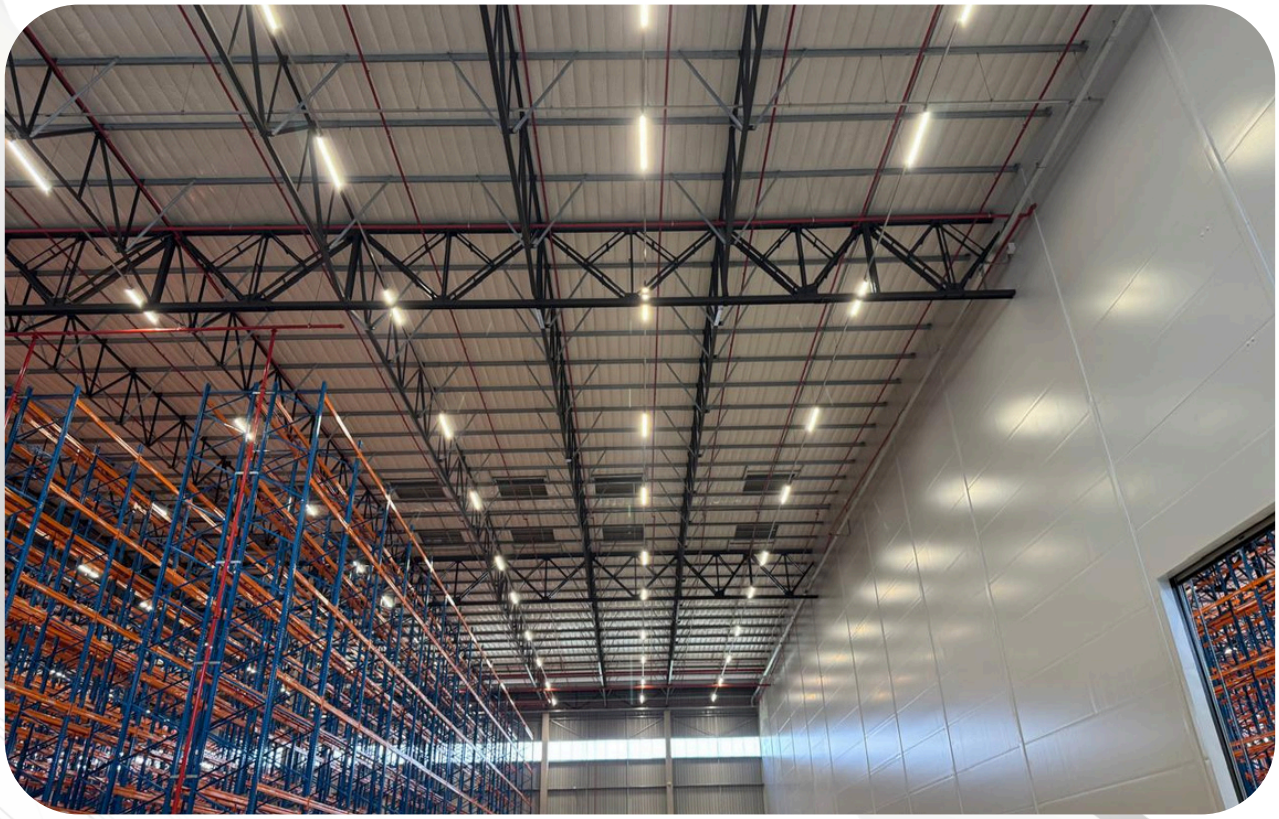

Light Alliance Projects is proud to contribute to the distinctive retail environments of New Balance South Africa. Just as performance and precision are central to the New Balance brand, the right lighting is essential in showcasing products and creating an engaging in-store experience.

Our lighting solutions help bring each space into focus, combining functionality with a clean, contemporary retail aesthetic.

Projects

SAVINO DEL BENE
Global Logistics And Forwarding Company

Light Alliance Projects is proud to have supplied the lighting solution for Savino's industrial warehouse in Fourways. Designed for efficiency and reliability, our lighting enhances visibility, supports safe operations, and delivers consistent performance throughout the facility.

Projects

Light Alliance Projects is proud to have contributed to the lighting at Mercedes-Benz Tokai. Our lighting solution enhances the showroom experience, showcasing every vehicle with clarity while creating a refined, welcoming environment that reflects the prestige of the Mercedes-Benz brand.

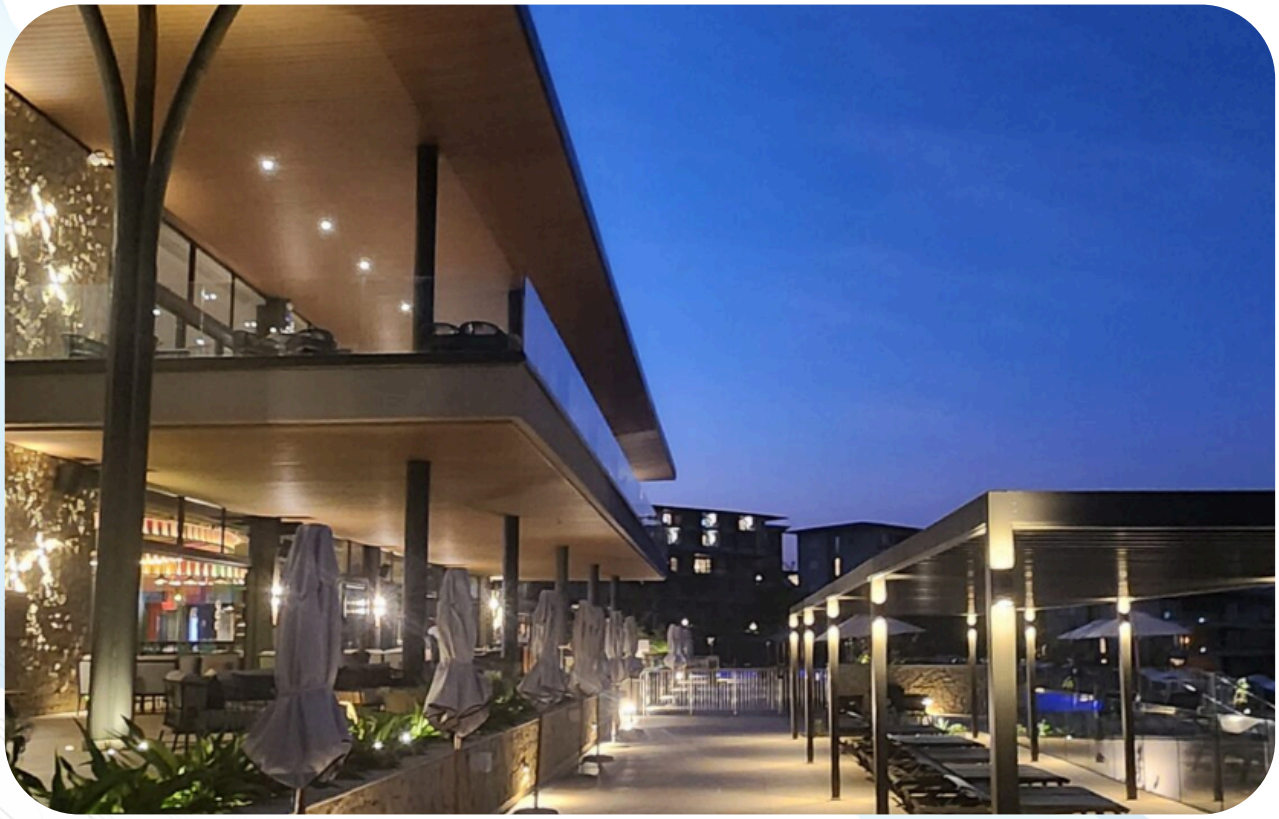

Projects

At the BMW showroom, Light Alliance Projects delivered a lighting solution designed to elevate the customer experience. By balancing precision, visual comfort, and modern aesthetics, the space highlights every vehicle while reinforcing the premium character of the showroom.

Projects

Club Med

Light Alliance Projects is proud to have delivered the lighting solution for Club Med, creating inviting and functional spaces that enhance the guest experience. Thoughtfully designed illumination complements the resort's modern aesthetic while providing comfort, ambience, and reliable performance throughout.

Projects

BRONKHORSTSPRUIT MALL

Bringing a retail destination to life starts with the right lighting. At Bronkhorstspruit Mall, Light Alliance Projects provided a solution that enhances wayfinding, creates a comfortable atmosphere, and supports an enjoyable shopping experience for both retailers and visitors.
